AMENDMENT UNDER 37 C.F.R. 1.111
AND REQUEST FOR RECONSIDERATION

Pursuant to 37 C.F.R. § 1.111, in response to the Office Action dated March 6, 2003
(Paper No. 11), the period for response to which extends through June 6, 2003, please amend
the above-identified patent application as follows:

IN CLAIMS:

Please amend claims 1 and 9 as follows:

1. (Three Times Amended) A glass substrate of a liquid crystal display device, comprising:
a first substrate and a second substrate; and
at least one transparent protective layer formed on an outer surface of at least one of
the first substrate and the second substrate, wherein the protective layer has a configuration
which imparts a compressive stress to the outer surface of at least one of the first substrate
and second substrate.
